Letters to the Editor

Letters to the Editor are welcome. They do not necessarily represent the views of this paper. If you want to have your say, please send your letter to The Dillsburg Banner, 31 S. Baltimore Street, Dillsburg PA 17019.

Please include your name and phone number.

Franklintownship Planning Commission Highlights-January 9

The Commission elected Leroy Darr as Chairman, Allen Hoffman as Vice Chairman, and Lynn Potts as Secretary for 1990. They also voted to hold the monthly meetings on the second Tuesday of the month at 7:30 p.m. at the Franklin Township Municipal Building at 150 Century Lane, Dillsburg, Pa.

The Commission approved the 1989 annual report of the Planning Commission and will present it to the Board of Supervisors as the 1989 report.

The deadline for submission of plans for consideration at the February 3, 1990 meeting was set for 9 p.m. on Tuesday, January 30, 1990.

John William Hamm-Two Lot Subdivision-South Mountain Road-Final Plan

The Commission voted to recommend disapproval of the plan due to the need for a letter from the Dillsburg Authority that they will approve the sewing planning module and will provide service, the need for an easement to be shown on the plan for the existing water line through the property, note on the plan that in the event of the removal or destruction of existing buildings the proper set back lines shall be observed in building or rebuilding, that infiltration details be placed on the plan and the need for bonding for the dispersion pit.

Peter Drake- Land Development Plan-Off of Route 15 and Scotch Pine Road

This proposal is for an addioon to an existing dental office. The Commission voted to recommend approval of the plan.

Dennis and Beverly Seymore-Two Parcels-Hickory Road-Est. Final Plan

It was decided that a request for a variance is needed in this case. A written request was then presented on behalf of the subdividers, requesting a variance from the provision of Section 312-1 of the Franklin Township Subdivision and Land Development ordinance. The Commissioners voted to recommend approval of the variance. The Commission also voted to recommend approval of the plan subject to: (1) placing of monuments or bonding (2) note be placed on the plan that the area encompasses wetlands and before soil is disturbed all necessary Federal and State Permits must be secured (3) note to be placed on the plan that in the event of the removal or destruction of the existing buildings the proper set back lines shall be observed in building or rebuilding (4) approval of the Supervisors of the variance on section 312-1, as requested and recommended by the Commission.

Long Lengths, Inc./Ted Laukemann, Jr. Land Development Plan-South Mountain Roadio

The Commission voted to recommend approval of the plan subject to the depositing of a bond in the amount of $500.00 with the township for the "filling in" of the present septic system and subject to the installation of a hard (macadam) driveway for a distance of 100 feet from the center of Twin Hills Road and a width of 24 feet minimum and to give estimate and deposit bonding for the same.

Ms. Tina Marshall and Clark Craumer reviewed a sketch plan of the proposed Cabin Hollow Est on Old Cabin Hollow Road-this site contains a total of 18.8 acres of land and there are 38 single family homes and 8 duplex homes being proposed. A portion of the area involved is ut Carroll Township. The developer will be proposing a sewage pumping station along Old Cabal Hollow Road. The matter of requesting sewage capacity reservation was discussed and it was recommended that the developer come to the supervisor's meeting to further discuss this with the board and the township Solicitor.

Dogwood Hollow-Phase II-Tuckahoe Road-Final Plan

The Commission voted to recommend approval of the plan subject to the storm water management plan being prepared and entered into.

Kenneth Lin Inc.-Minor Subdivision-Coffeetown Road-Final Plan

On review, it was decided that the plan should reflect a revised subdivision plan, rather than an add on, since the purpose of this plan is to add a small area to one of the parcels in order to bring it into compliance with the township land development ordinance for duplex housing. The Commissioners voted to approve the plan subject to changes on the drawn plan to reflect the plan as a revised subdivision of the previous subdivision.

Kenneth Lin Inc.-Land Development Plan-Coffeetown Road

The Commission voted to recommend disapproval of this plan due to the noncompletion of the township Engineer's comments in his letter dated 12/11/89 and the additional items contained in the township minutes of the December 12, 1989 planning commission meeting.

Physicians Appointed to Holy Spirit Medical Staff

The Board of Directors of Holy Spirit Hospital announced the appointment of Keith R. Haidet, M.D. and Charity M. Finucane, M.D., to the hospital's Medical staff.

Dr. Haidet joins the Section of Radiology. A graduate of Penn State University College of Medicine, he completed specialty training at Hershey Medical Center, Hahnemann University, and Thomas Jefferson University Hospital.

A graduate of Temple University School of Medicine, Dr. Finucane joins the Section of Pediatrics. She completed specialty training at Polyclinic Medical Center.

State Park toll-free hotline begins operation

The Department of Environmental Resources (DER) today announced the availability of a toll-free hotline 1-800-63 PARKS to help Pennsylvanians obtain information on state park activities and facilities.

The hotline is just another example of how we are working to provide Pennsylvania with a first-rate state park system," said William Forrey, director of DER's Bureau of State Parks. "The toll free service will allow Pennsylvanians to gain information on the many winter activities planned in our 114 state parks and also make it easier for our citizens to plan their summer vacations."

Forrey said DER initiated the hotline partly because of the overwhelming support for the park system shown by Commonwealth citizens during the State Park 2000 long-range planning effort begun last year. A preliminary report of the survey released in December, showed that the public strongly supported DER's current emphasis on natural outdoor recreation.

The toll-free number will operate 8 a.m. to 4 p.m., Monday through Friday. After hours and during holidays, the line will be tied to an answering machine on which callers may record requests for information.

Forrey said the hotline will be staffed by existing state park personnel in the Harrisburg headquarters. The new line should be used for information requests only, and individuals with specific state park business calls should use existing telephone services.

PAC to meet
Topic to be teen suicide

Teen Suicide is the topic for this months PAC meeting at Northern High School on Monday, January 22nd at 7 pm in the cafeteria. Guest speaker is Herb Bomberger, Director, Bethany Counseling Ministry. Parents of students in all grades should become part of the PAC organization as they plan for your students future and the direction the School District should take in the area of the education of our young people.

Financial aid deadlines

Rep. Bruce Smith today reminded students and their parents of various deadlines in applying for financial aid for education.

Smith said that the Pennsylvania Higher Education Assistance Agency (PHEAA) has mailed applications to renewal applicants as well as applicants who were denied eligibility due to late filing. In addition, applications have been mailed directly to the homes of all high school seniors who took the SAT or ACT during their junior year in high school.

May 1 is the filing deadline for all renewal applicants and non-renewal applicants who plan to enroll in baccalaureate degree programs, including those enrolled in college transfer programs in Pennsylvania community colleges or junior colleges.

May 1 is the filing deadline for non-renewal applicants who plan to enroll in business, trade and technical schools, hospital schools of nursing, or two-year career programs at community, junior or four-year colleges.

Applications for Pennsylvania state grants and federal student aid may also be obtained at Smith's office at 540-B Industrial Drive, Fairview Industrial Park, Lewisberry 17339. The telephone number is 938-4988.

York Haven completely recovers after fire

With the return of the rebuilt unit 1 all 20 generating units at York Haven Hydroelectric Station are operational and available to generate electricity for customers of Metropolitan Edison Co., the company has announced.

On July 8 the plant was shut down when a breaker exploded and caught an electrical system fire. The station's electrical system had to be replaced. The damage also required the replacement of a transformer and cables to the generators. The office area and generating units were damaged by smoke.

Installation of new electrical switchgear at York Haven is also complete. Some marshalls were on hand because of a planned outage which would have started July 19. Therefore, five of the generating units were back in service by mid-August. By December 1989, 15 other units were repaired.

Recently some units have been out of service for normal maintenance work and ice on the Susquehanna River. The ice problem occasionally occurs during winter.

The plant, located along the Susquehanna River, is generating approximately 20,000 kilowatts, enough to serve about 10,000 homes.

High School Board report for December

The Patriot-News Company publishes a special Christmas edition known as "Holiday Memories." Students submit a short article about their favorite holiday memories. Staff members of the Patriot read and select winners for elementary, middle school, high school, and adult categories. Fifty dollar winner is named for each category, with recognition. One fifty dollar winner in each category receives twenty other winners receiving ten dollars. Students at Northern represented seventy five percent of the High School winners, including the fifty dollar award. Sixteen Northern students were winners, eleven of which are enrolled in our sophomore English program. The students are as follows.

Dann Dobb, Jenny Mumich, Val Schatsyen, Amy Todt, Dee Dee Freebairn, Daniell Ray, Brandy Sheaffer, Angie Wood, Jennifer Miller, Kelly Regal, Rena Shelly, Jody Yohe, Amy Minnich, Mark Reish, April Taylor, Amy Ziegler.

On December 15, 1990, the National Honor Society inducted new members from the Senior class during an assembly program held in the auditorium. The following students were inducted into the National Honor Society: Jennifer Brady, Heather Musselman, Lisa Rovito, Rena Shelly, and Meridith Zambone.

Over one thousand students auditioned from a three county area for membership with the District Band. Five Northern students were selected for participation in the festival. Valorie Mehring, Susan Snodgrass, Dave Eurich, Jim DeMers, Shelly Engle. Shelly Engle also qualified for the District Orchestra Festival.

April Taylor, a sophomore, has been chosen by the Business department as Business Student of the month.

Mr. Mathews attended the orientation session for the Stock Market Game sponsored by the Patriot-News. Three teams of four students will represent Northern in the competition.

The future Secretaries Association installed officers on December 6, 1990, in the High School library. A dinner was planned and presented by the members for their families and friends.

Title guidance department has announced that Christina Kistler and James DeMers were named Rotary Students of the month.

Chris Graff was named to the All State Soccer Team.

Northern hosted its first girls' basketball tournament this year. The Northern girls' won both their games and were named champions.

Wrestling team took second place at both the Carlisle and Boiling Springs wrestling tournaments.

The student council sponsored a semi-formal dance on December 22, with 160 students enjoyed the evening activity.

The student council sponsored their annual Christmas dinner for senior citizens on December 14, 1990. Approximately 55 senior citizens enjoyed the Bear Singers, Santa Claus (Mark Hagenbuch), and Coco the Clown.

The guidance department sponsored a financial aid information night on December 4. Approximately 10 parents attended the session.

The football awards banquet was held on December 5, with approximately 250 people in attendance.

The annual Christmas Choral Concert was held on Sunday, December 17, 1990. Approximately 250 people enjoyed the concert.

Former Supervisor's son killed in tree cutting accident

Gary Daniel "Dan" Reihart II, 22, son of Former Carroll Township Supervisor Gary D. Reihart, of Orebank Road, Dillsburg, died Sunday, as a result of injuries received in a tree cutting accident.

According to Carroll Township Police the accident occured at 1:30 p.m. while Dan and his two friends, Pat Bentzel and Roger Love, 20, were clearing trees on property just off Old Mill Road.

Police said Dan was felling a tree, when the saw became wedged as the tree began to fall. Before falling the tree kicked back and hit Dan in the chest.

Bentzel and Love immediately began administering cardio-pulmonary resuscitation and called 911 from a nearby mobile phone.

Responding to the scene was Dillsburg Ambulance 64 and Medic 81.

Dan was employed at a ski technician for Wicks Ski and Sport, Camp Hill. He was a 1985 graduate of Northern High School, and a member of St. Mark's Lutheran Church, Mechanicsburg.

A 5-year member of the American Motorcycle Association, he was a champion motocross rider in District 6 Motocross of Pennsylvania. He was an extreme-class skier.

Dan was born in Camp Hill. He was the son of Gary Daniel and Beverly (Walter) Reihart. He is survived by his two sisters, Deborah A. Reihart of Mechanicsburg, and Denise D. Reihart, at home, and a paternal grandmother, Helen M. Reihart, York.

Service was held Wednesday at the Elzweiler Funeral Home, 1111 E. Market St., York. Burial was in Mount Rose Cemetery, York. Memorial contributions may be made to St. Mark's Lutheran Church, 117 W. Keller St., Mechanicsburg, 17055.

Officiating at the service was his pastor, the Rev. Gale M. Gregor.

As a tribute to Dan, this poem was recited in his memory during the service.

"FOREVER CHAMPION"

By: Dee and Debbie Reihart

On wings of angels you ride,
always smiling, laughing
and full of pride.
You gave each one of us a
part of yourself
Something we can never
deny.
We love you today,
tomorrow and forever,
And know you will be
standing close by,
So ride little brother, ride,
And be that Forever
Champion in the sky

Recycling Drive Slated

First United Methodist Church located at Frederick and Simpson Streets in Mechanicsburg is conducting its recycling drive this Saturday, Jan. 27th. Materials to be collected include: glass (jars and bottles (rinsed and separated by color); aluminum cans (flattened); tin cans (rinsed, labels removed and flattened); plastic soda bottles (lids removed and flattened); plastic milk, juice and water jugs; plastic detergent, fabric softener, bleach and windshield washer solvent bottles (rinsed or well drained, flattened). In addition to the above items we will also accept copper, brass, scrap steel, tin, cast iron, stainless steel, aluminum siding, aluminum storm doors and windows, computer paper, and car batteries.

We DO NOT accept newspapers or plastic food containers such as butter tubs, yogurt containers, ketchup bottles, peanut butter jars, deli containers, styrofoam or plastic bags.

These items should be brought to the church parking lot on the 4th Saturday of each month. The drop-off hours are from 9 a.m. to 2 p.m. on the designated days. For more information and a detailed list of accepted recyclables please call 697-6046 or 766-4611.

Proceeds from the recycling will be donated to New Hope Ministries, which helps the needy in the greater Mechanicsburg and Dillsburg areas.

My Daze

AROUND THE TOWN

Harry Grimes and family back from Florida sans tan. Must have been pretty cold down there, which makes all of us northerners feel good. Florida's Chamber of Commerce never pass up a chance to let us know how wonderful it is to bask in the sun in the deep south...I'll bet we did more "basking" up here in '52 than they did! While eating breakfast this morning in Nell's, a guy approached Mike with a mongrel. Do I tell me Mike's wife didn't get her dog yet??? Vernon Nesbit's Motel is beginning to like like something now. Wonder if he got his family off the streets yet. Where you sleepin' these days Nesbit? Norma Wiley's foot has finally healed, and he can join Lea Grove now in wearing both shoes. For a while neither of their spouses had to wash more than one sock for each of them! Martha Arbegast looking mighty chic in her new specs. Jimmy Williams sporting a new cap. Looks like he just came from the track! Lefevers crowded every evening with folk getting their look at the new Chevrolet. It's beauty, too! Barney Cromers blessed with another girl. Congrats and keep trying old boy! (Don't laugh I've got two girls myself) Blest Levi Plank a son. He reads this column regularly. Doesn't he have any homework, Levi? I heard there was a new law to be passed prohibiting children from reading comic books at Mt. Wy Daze! Sure glad Fred Stough was open the night of the last big snow storm. He cherry pie, my chain on for a price, of course.

THE NEW CARS: Most of the '53 Detroit iron has been announced, but watch for two or three new ones that will cause the rest of the industry to sit up and take notice. Hudson will later this year come out with a lighter car, smaller engine, and tremendous acceleration, to sell for approximately the same price as Ford and Chevy. Nash will present its NX-1, a small four cylinder car to be assembled here, but the body will probably be made in overseas. Engine also, will either be the Austin A-40 or the Morris Minor four. Only true sports cars made in America is the Cunningham, manufactured in Florida by the B.S. Cunningham Co. Boasts of three hundred HP Chrisler engine with either two or four carburetors. Body styles in either closed coupe or open two-seater. You can have one for your very own by planking down a cool eight or nine grand! Kaiser also will later this year attempt to market a limited number of two seaters, featuring the Willys F-head engine. They expect to make about 1000 cars, to sell in the neighborhood of three thousand clams.

THANX DEPT: Gil Hoffman (Dburg Correspcent) and I would like to thank the Times staff and editor for inviting us to their annual supper. We had a swell time meeting all you Gettysburgians, and we were treated royally. Honestly folks, the people who make-up, print, sell, and deliver the Times are all wonderful. Oh yes, Gill says to tank the chef for the bones she took home to her husband. John enjoyed them immensely.

HOW CUM DEPT? How cum none of you people ever write to us telling whether your bike, or dislike this mess. We'd sure like to hear just what you'd want to see in print. Anything you would like to see in the paper regarding either York Springs or Dillsburg...all ya gotta do is drop us a post card, and we'll twist it around...so's you'll never recognize it. Bless you all. Herb Harris, January 14, 1953

Fresh Fruit to be sold

The Friends of The Circle School (FOTCS) are selling fresh citrus fruit. Valencia Juice Oranges, Navel Oranges, Tangelos and Red Grapefruit are available by the case, half-case and quarter-case. Proceeds will be used to purchase equipment for the computer learning center at The Circle School, a small coeducational private school in Lewsberry, PA.

For more information, or to place an order, call Evie Swan at 975-5543, David Keselica at 975-5542, Cindy Cooper at 763-8481 or Deb Bodnyk at 774-0171.

Order by January 24. 1990. Make arrangements when placing your order for delivery or pick-up of fruit on February 5, 1990. Arrangements can also be made to deliver a contribution of fruit to a local Food Bank to help the needy.

Thank you for helping us in our efforts to improve the education of our children.

New social club to form at Dillsburg's Senior Citizen's Center

The Dillsburg Senior Activity Center, Inc. is forming a new social club at the Senior Center. The purpose of the club is to provide more service hours at the center. The club will have evening and weekend meetings for cards, covered dish dinners, dining out at restaurants, trips and other activities.

There will be a meeting to make plans on Friday, January 19, 1990 at 1 p.m. at the Senior Center, 1 North Second Street, Dillsburg, Pa. For information please call 432-2216 between 8:00 and 3:00 daily.

The Dillsburg Senior Activity Center will offer income tax help at the Senior Center. The service will begin Wednesday, February 7, 1990 and continue every other Wednesday thru tax time. For information please call 432-2216. This service is being provided by AARP Chapter 24 of York, Pa.

January 15, 1990 School Board Highlights

The school board approved the following:

The Board accepted the resignation of Penelope Erney as an elementary physical education teacher as soon as a suitable replacement can be found after January 24, 1990, Placed Mary Ann Gomez on permanent status with benefits appropriate to the position, and Accepted the resignation of Lass Lerew as a part-time cafeteria worker effective December 21, 1989, and Deb Patton as a substitute cafeteria worker. Accepted the resignation of Russell Goudy as custodian at the Dillsburg Elementary School effective Monday, January 8, 1990.

The Board accepted the donation of a computer desk and 2 file cabinets given to the Northern Middle School by Mr. Robert E. Buchheitz, and accepted the donation of a Polaroid Impulse AF Camera given to the Northern Middle School by the Northern Middle School Caring People Organization.

The board approved the disposal of 134 books entitled "Geometry" published by Houghton Mifflin with a copyright date of 1983 and authorized the administration to prepare specifications for bidding the roof replacement at Northern High School.

The Board accepted the resignation of Herb Bomberger as Head Soccer Coach; approved the Ski Club trip to Elk Mountain Ski Area on February 10, 1990 at no cost to the school district.
